“Houdini's is a well designed escape room experience, lots of thoughtful detail and effort has gone into the creation of the room we *nearly escaped*!

All the staff were a pleasure to deal, and the whole setup felt very professional and polished.”

"I took my work team of 12 along and we were split into two teams. The first team was able to watch the second team and that was as much fun as doing it yourself. The puzzles, games were challenging and fun and if you are a fan of the Crystal Maze you will love it! My team were buzzing afterwards and it set us up for a great evening.

Would recommend this to anyone looking to motivate a team and build teamwork.”
